Midweek Online Class

The **Midweek online class** is **mandatory** for students in CFL1 to CFL7. It is designed to help students **review** the material from last week and **preview** the vocabulary for the current week's content.

- **Class Schedule:** Classes are held between Monday and Thursday in the **evening**, each lasting for **30 minutes**. The specific dates and session schedules for each level vary based on the number of students and the availability of teachers.
- **Teacher/Student Ratio:** Each class can accommodate a maximum of 5 students. The fifth spot is usually reserved for the make-up students. If a class has fewer than **2 students**, it may be combined with another class.
- **Sign-Up Process:** Parents will receive registration forms to choose 2 preferred time slots for their children. Class assignments will be done on a **first-come, first-served** basis. We will do our best to honor your requests and try to schedule siblings together when possible. Important dates for sign-ups will be provided in the table on the following page.

Midweek Online Class

➤ Platform

We use **Google Meet** as our online learning platform. Teachers will send  **invitations to students' MLCC Gmail accounts**. Students are required to use **only their MLCC Google accounts** to join the class.

➤ Learning Environment

Please ensure that your student joins the class from a **quiet location**. It is strongly recommended that they use **headphones** to minimize background noise.

➤ Attendance

Please remind your child to attend class **on time**. Each teacher conducts 2-3 sessions each evening, and each session has a fixed duration. As a result, teachers will not be able to make calls or send text reminders or extend class time for late attendees.

Midweek Online Class

➤ Absence

Regular class attendance is essential for building a strong language foundation for students. If your child will not be attending class during the week, please **inform the online teacher** in advance. 

➤ Make-up Classes

If your child requires a make-up class, please email **cflonline@mandarinschool.org** at least one day in advance., preferably as early as possible if your child's session is on Wednesday or Thursday. We will do our best to accommodate the student in another class within the same week.

➤ Holidays

Please note that midweek online class breaks may not coincide with the weekend schedule. We will provide an **online class schedule** in the  confirmation letter and send reminders for each break to ensure that your student does not miss any classes.
